MAISON D'OLIVE EXPERIENCE

What's Included

Surrender to the essence of Greek luxury on a private yachting escape across the Athens Riviera — a 4-hour journey of taste, sea, and sunshine curated by Maison d' Olive.

Designed for 2 to 6 guests, this intimate escape pairs the sophistication of yachting with Greece's finest gastronomic treasures. Guided by Maison d' Olive's expert sommelier and olive oil connoisseur, you'll enjoy:

- 5 award-winning extra virgin olive oils, each telling the story of Greece's sacred groves
- 5 handpicked Greek wines, from coastal whites to deep Peloponnesian reds
- A decadent cheese and charcuterie board, paired with fresh seasonal fruits

Maison d'Olive invites you to a floating feast of Mediterranean soul and refined indulgence. Because true luxury moves with the waves.
